When did you start fetish modeling and under what circumstances?

My first was a tickle/bondage/foot fetish shoot a couple of years ago.

What fetishes do you like? What do you fetishize in your life?

Spanking, reading, nice butts, bondage, roleplay...

Why did you want to shoot for TABOO?

I love being naked and I enjoy deviance. TABOO is the perfect platform for both!

Have you ever been spanked?

Who hasn't? ;)

What is the wildest thing you have ever done, on- or off-set?

Attended an orgy.

Have you ever been pissed on or pissed on someone?

Guilty on both counts.

What do you think about anal sex?

Yes please.

Are you more interested in the art of fetish modeling or the sex of fetish porn or both?

When I'm a participant, the art. When I'm a viewer, the sex.

Are you more submissive or dominant?

Submissive, but I like to switch it up sometimes.

Are you in a fetish lifestyle partnership? Would you like to be in one?

I'm not, but I would definitely enjoy one.

DOMCON LA

The annual DomCon LA went off again this year with the usual fanfare. Mistress Cyan put on an excellent event loaded with informative seminars and demonstrations, and of course there were the parties where Dominants displayed their talents and showed off their subs.

We look forward to this show because of the diverse, high-quality turnout and the beguiling mistresses that haunt the extravaganza. If you want to have a peek and maybe even muster the courage to talk to a beautiful dom, this is a good place to start. While you're at it, take advantage of the opportunity to learn everything you ever wanted to know about BDSM as taught by experts in both the professional and lifestyle communities.

TABOO Video Reviews by Ashley Blue

LATEX LOVERS

Director: Andre Baylock

Cast: Aria Giovanni, Virginia, Hanna Hilton, Valerie, Laura Brown, Cherry Jul, Malibu, Ruka Stone

Running time: 178 minutes

Covergirl Aria Giovanni captures everything one could dream of in a latex lover. In "Suds" she has the perfect amount of tease and talk to the camera, while showing off the outfit that she's "just polished." Her scene is the best in a showcase of stunning faces, bodies and impeccable latex. Hanna Hilton in "Shower Web Cam" will leave you unable to stop thinking about her masturbating on the toilet. Virginia and Ruka Stone give a leather and latex encapsulated erotic boy/girl scene in "Pony Boy." The slideshow feature is an elegant way to recap the spread shots and penetration.

THE SUBMISSION OF EMMA MARX

Director: Jacky St. James

Cast: Penny Pax, Riley Ried, Richie Calhoun, Van Wylde

Running time: 117 minutes

The story of Emma (Penny Pax), an intellectual beauty who falls for a man she must submit to, *The Submission of Emma Marx* is a romance with a happy ending. And everyone looks very pretty throughout! Emma's decision to submit to the man she loves is the key to her happiness and to finding the sexual excitement that she's been wanting. The supporting cast of Riley Ried and Richie Calhoun is flawless. The cinematography is so far above porn standards that it seems more like cable TV than a dirty movie. This is a refreshing new breed of BDSM.

www.newsensations.com

THE SUBMISSION OF EMMA MARX: BOUNDARIES

Director: Jacky St. James

Cast: Penny Pax, Riley Ried, Sara Luvv, Richie Calhoun, Van Wylde, Logan Pierce

Running time: 141 minutes

Penny Pax and her ensemble cast return to the same story three years later and turn up the heat, topping the original in terms of sex. *Boundaries* are pushed further, as Emma crosses lines with Mr. Frederick that she swore she would never cross. The romance has much more of an edge to it, too, with Emma's evolving sexuality. *Boundaries* incorporates more use of pain, anal and threeways, as well as a Riley Ried blindfolded boy/girl scene. The DVD extras are definitely worthwhile, including BTS, outtakes and a "Pick Your Pleasure" option.

When did you start fetish modeling and under what circumstances?

I have done a little fetish modeling here and there, like bondage where I was bound and gagged. It was very light. Nothing like today! The TABOO shoot was much more hardcore.

What fetishes do you like? What do you fetishize in your life?

My biggest fetish is men dressed as women. I like men to be humiliated, especially really big, masculine men—a man's man, in pretty little frilly underwear and high heels.

Is there a dominant side to you?

I am very, very submissive—trust me! I have tried dominating, but I don't really enjoy myself. While I am doing it, I am thinking, *This is a lot of work...I would rather be lying on my back getting the shit fucked out of me.*

Do you do any fetish in your private life?

I get tied up, my hands and my legs and lots of fun stuff with my feet. It is very sexy to be dominated. I love it.

Why did you want to shoot for TABOO?

I love the pictures. I think they are very, very sexy. I wanted to try something different.

Have you ever been spanked?

Yes, with bare hands. It has to be done right, not just whacked hard to start. This is my first time with flogging and whipping. I am not into pain but, if it is done gently, it is okay.

What is the wildest thing you have ever done, on- or off-set?

Recently, I was doing a scene on camera with my husband. While I was being fucked from behind, he had ahold of my neck, and I lost consciousness. I went limp on the couch. I just slipped into it. To wake me up, he smacked me really hard in the face. I do like to be choked out till I pass out.

Have you ever been pissed on or pissed on someone?

I have never pissed on anybody, because, to tell you the truth, I can't do it in front of anybody, no matter how hard I try or how much I have to pee. I have a very shy bladder. I let my husband piss in my mouth in the shower. He always pisses on me in the shower, every day.

What do you think about anal sex?

I love anal. It is a different sensation than the pussy. It feels amazing. I love the intensity. I just have to be warmed up first.

Are you more interested in the art of fetish modeling or the sex of fetish porn or both?

The art of fetish modeling. Some of the fetish porn scares me a little bit. I feel like that can get too hardcore for my liking. With modeling it is all in moderation.

Are you in a fetish lifestyle partnership? Would you like to be in one?

Well, I am submissive to [my husband], and he does pee on me. Also, we are really very open-minded. Maybe someday we will get into more fetishes, if we get bored.

When did you start fetish modeling and under what circumstances?

Aside from a few personal photo-shoots, I've only really dabbled in fetish modeling during my porn career. It's always been a special pleasure to continue to explore my sexuality on camera.

What fetishes do you like? What do you fetishize in your life?

I love being looked at, which shouldn't come as a surprise. I also fetishize being exposed, when in a submissive role. I'm a big fan of bondage, being choked and spread open.

Why did you want to shoot for TABOO?

As long as I've done porn, it's been a curiosity, a challenge, and hard to see where I can insert myself, to see where I can exist in my own unique way. It is an honor to shoot with Dave Naz, and I am thrilled to share myself with the TABOO readers.

Have you ever been spanked?

Yes, though I prefer thuddy sensations, such as with punches, kicks or batons.

What is the wildest thing you have ever done, on- or off-set?

I celebrated what I like to call my dirty-thirty, my 30th birthday, with a 30-person orgy on crashpadseries.com.

Have you ever been pissed on or pissed on someone?

I've pissed on lovers at parties and have done a few pissing shoots for photographers. Holding my bladder until the end of the shoot is its own special torture. But the release is twice as sweet.

What do you think about anal sex?

I do anal on occasion. I love to feel the pressure on my G-spot through anal penetration. I'm selective about when I do it, because it definitely can feel vulnerable.

Are you more interested in the art of fetish modeling or the sex of fetish porn or both?

If (consensually) forced to choose...I would go with sex in fetish porn for the orgasms. But I like the staging of photography and the beautiful captured images it creates.

Are you in a fetish lifestyle partnership? Would you like to be in one?

I have a partner, and we explore fetishes within our relationship. I also have many friends in the industry with whom I can share my fetishes. It keeps me happy!

Is there anything else you would like the TABOO readers to know?

A year ago, I began competing in triathlons. It has been a journey in challenging myself, in prioritizing my health, and this fall I will race in Ironman 70.3 in Santa Cruz!

When did you start fetish modeling and under what circumstances?

I started exploring the fetish world when I got into porn back in 2009.

What fetishes do you like? What do you fetishize in your life?

I just love the idea of being tied up and totally helpless. So hot! I fetishize about getting gangbanged constantly....mmmmm!

Why did you want to shoot for TABOO?

I've been a big fan of the magazine for quite some time.

Have you ever been spanked?

Yes, of course!

What is the wildest thing you have ever done, on- or off-set?

That would definitely have to be the 50-guy creampie I did!

Have you ever been pissed on or pissed on someone?

I have been pissed on, yes.

What do you think about anal?

#YesPlease!

Are you more interested in the art of fetish modeling or the sex of fetish porn or both?

I'd have to say both. I am definitely a VERY sexual person, but I absolutely appreciate the art of fetish modeling. It truly is beautiful.

Are you in a fetish lifestyle partnership? Would you like to be in one?

I am not currently in a fetish lifestyle partnership. I would love to be in one!

Is there anything else you would like the TABOO readers to know about you?

I may come off as shy at first, but don't be fooled—I'm a free-spirited, fun-loving, cock-hungry, cum-guzzling little gutter slut. I love to try new things and see new places. Two of my mottos are: "I'll try anything once" and "The more the merrier." I think that about sums me up hehe.

Why did you want to shoot for TABOO?

I feel that I'm a good fit, and believe that it is the most important magazine to be in if you want to pursue fetish modeling. I want this period of time in my life to be immortalized, and this is the most likely and authentic place to do it. I love TABOO magazine!

When did you start fetish modeling and under what circumstances?

I had gotten out of a tough relationship not long after my longest term boyfriend, Mark, passed in late 2012. I was going to school full-time. I had never even considered modeling, despite Mark's four years of unrelenting confidence in me.

In late 2013, my first Sir introduced me to BDSM, and after he took me to The Upper Floor for the first time, my life changed forever. That is when I started getting fetish modeling gigs.

What fetishes do you like? What do you fetishize in your life?

Submission, impact play, blindfolds, rope, latex, watersports, consensual nonconsent, breath play and very rough sex.

Have you ever been spanked?

Of course, before I even knew about the lifestyle.

What is the wildest thing you have ever done, on- or off-set?

Arriving in Utah during winter in nothing but heels, a dress and a steel butt-plug. That night, after hav-

ing my ass peed in, I had to aim it into a bowl and then drink every last drop. Then I had to ride Sir's cock for four hours until I earned his cum.

Have you ever been pissed on or pissed on someone?

Yes, both. I always had a fantasy of drinking a friend's piss, so it began when my former first Dom heard about this, one day while I was in kneel position in his shower. Unexpectedly, he urinated on me one day. I also finally got to drink my hot friend's piss (see piss enema bowl above) like I had prattled on and on about.

I've been peed on as a ritual by two people at once during a brief period of time. I was seeing a beautiful girl and her boyfriend, and we used to go in public bathrooms in high-end restaurants. I'd sit down on the toilet seat, and she would then proceed to get on my lap facing me so when her urine hit my vagina, it would drop down into my stream of piss like a fountain. They also pissed on me on their deck, and every shower time was piss time. The shower was large enough for me to get in pile-drive position and piss upside-down into my mouth.

What do you think about anal sex?

I like it if it pleases whomever I'm into at the time. Two years ago I was convinced I would NEVER have anal sex.

Are you more interested in the art of fetish modeling or the sex of fetish porn or both?

Both. While fetish and erotic modeling are my favorite styles of modeling, I tend to find fetish porn more appealing than softcore and gonzo because that's what I enjoy in my personal life. I also think that the majority of models who shoot BDSM wouldn't do it if they didn't like it. So it sort of brings certain niches to the mainstream, and you get to find out more things about your favorite porn stars that you wouldn't know in non-fetish or BDSM porn. Also, sometimes I feel that these insanely hot female superstars of porn, like Lexi Belle or Skin Diamond, might be turned on to something new, and that's exciting.

Are you more submissive or dominant?

Submissive. I am by nature a total submissive. Sometimes I can be cynical and intense (my rising is in Virgo), so being submissive isn't an accurate, one hundred percent sum of my personality; however, I love to please, serve and obey. I love the feeling of being trained. Being in a D/s or M/s dynamic definitely decreases the dysphoria and discom- placency I could at times feel in a "normal" relationship. I always describe myself as a feral kitten that requires some domestic training by her Sir.

Are you in a fetish lifestyle partnership? Would you like to be in one?

I have play partners currently, and would like to be in either a D/s or M/s relationship that has some longevity.
